New Business

1) Please refer to OIC Parish Re-opening Plan as the foundational document.

Modifications for Bethany: Block off the basement – use restroom in Fellowship Hall.

Communion discussed – walk-thru w/distancing; self-contained units with wafer/grape juice.

Looking into a FM radio transmitter – for those who want to come to church but are not comfortable coming in – can listen to it in the car in the parking area. Maybe reserve some parking in front. Communion can be distributed to those in cars. and they would not need to come in the building.

Meeting adjourned with the Lord's Prayer
