- This method of distribution would allow us to social distance and minimize handling everything.
- Wear masks except when consuming the elements.

TECHNOLGY PROPOSAL/APPROVAL

We have been working on and received a proposal to add cameras, screens, other necessary electronics in the sanctuary to enhance our ability to “live stream” our worship and to enable us to put much of our worship on a screen. The proposal is being reviewed, and will then be presented to the congregation for approval.
