Treasurer's Report: MSC

One In Christ Report:

Old Business

- 1) Discussed post-COVID plans for in-person and online worship – vaccine priorities will determine much of this down the road.
- 2) Fellowship Hall carpet project – a few things in mind, \$410 from lefse fundraiser. Slowed by COVID.
- 3) Basement bids – one bid; ceiling and lights second bid; basement windows from Schmidt Construction. Stene and Jayme Bergo also have bids in.
- 4) Outdoor LED sign – second priority to the ceiling tile project. We want the Community to know we are alive and welcoming!

New Business:

- 1) Annual Meeting January 24th following Worship Discuss and Vote on:

- a) LED sign, and show illustration.
- b) Ceiling tile and light basement project
- c) Basement window and trim

Prioritize bids as such: ceiling project, LED sign, Basement windows.

- 2) JFD is most likely not having soup supper this February in Bethany Fellowship Hall. My try later.

Adjournment: MSC
