“Back to Church” Post-COVID Survey

We have missed one another... our fellowship, missions, and worshipping together. Our 'normal' is not what it used to be. The One In Christ pastors and council acknowledge this and request that the members voice their preferences, feelings, and ideas so that together we can learn from our experiences and move forward. We invite each member of our parish to complete and submit this survey before March 31, 2021.

Attached is a paper copy of a survey inquiring about your position/opinion as to what has to happen/change for you to be comfortable coming back to Sunday worship. Return a paper copy to the parish office:

WE WANT TO BE WORSHIPPING TOGETHER

We are all wanting to get back to the way things were – this will not be easy, if even possible. In this survey we looking to gather an understanding of where we (as a parish and congregations) are on these matters so we can thoughtfully and effectively and safely plan how to begin to rollback the restrictions we have been living with this past year. We want to be safe and respectful on one another in this process as we move forward.

This survey has been initiated and designed by One in Christ Lutheran Parish for the purpose of our ministries.

All information is for and will be used exclusively by One in Christ Lutheran Parish and congregations..
