## **Old Business:**

***Ideas for inviting members back after Vaccines:*** Dennis Kreuscher shared information compiled from the surveys that had been completed throughout the churches. There was an 80% response and results will be shared and printed in the May newsletter.

***Stained Glass Window Project:*** We did get the grant for the work needing to be done on the windows behind pastor's chair.

***Parsonage Lighting and Tree Work:*** A group got together and placed a motion detector light on one door and did tree cleanup at the parsonage.

***Water Damage to Basement Walls:*** There are plans to put downspouts 4' – 6' away from the church to help move the water away from the church foundation.

## **New Business:**

***Hymnals and Fellowship for May Services:*** We discussed the possibility of using both the Hymnals and bulletins the month of May and see what others in the congregation thought. Fellowship after the services was also discussed. We may go with something simple like coffee and donuts for those who would like to attend.

***Memorial Day Meal:*** There will be no Memorial Day meal this year.

***Tractor Ride:*** Dennis Kreuscher announced there will be a Once in Christ Parish Tractor Ride this year on August 14<sup>th</sup>. Details will become available soon.

***Bonfire Event:*** Silver Lake is looking at having a bonfire along with hot dogs, brats, chips and bars tentatively for June 6<sup>th</sup>, around 4:00 p.m. We plan on inviting people within the Silver Lake Church vicinity to gather for fellowship.

The next council meeting will be at 7:00 pm, May 18<sup>th</sup> at Lunder.

Larry made a motion to adjourn the meeting, **MSC**
