**May 23, 2021 after Worship**

Bethany Church Council met on May 23rd to vote on new mask proposal. Present were Judy Wonsmos, Diane Thompson and Donica Arneson. Kelly Delawyer voted absentee.

Bethany Lutheran Church Council voted that masks are no longer required if individuals are fully vaccinated. However if you feel more comfortable wearing a mask please do so. Individuals not vaccinated are recommended to still mask.

We also vote to place hymnals back in the pews. This proposal was accepted by the council.

Respectfully submitted, Donica Arneson, Secretary
