THANK YOU

- This year's OIC Tractor Ride was designed to raise money for our Emergency Frontline Workers. That included, police, fire, ambulance, or EMTs. This year's ride raised \$6,000, which was disbursed to 60 people identified as Emergency Frontline Workers, in the form of Lake Mills Bucks. We want to thank those people that helped contribute to this cause—tractor drivers, churches, individuals, and local businesses. We also thank David's Marketplace for providing the noon meal for our tractor drivers. We would like to recognize those individuals and businesses that made special contributions: Platinum Contributors (\$500+)—Albert Lea Public Warehouse (Al Larson), Kreuscher Financial Group. Gold Contributors (\$200+)—CJ Pork LLP, Good Shot Golf & Sporting Clays LLC, Mike Stensrud, Ron & Phyllis Moen, Mannes Construction, Silver Lake Lutheran Church, Stan Rusley.
- Thank you to One In Christ Parish & all who planned, took part, & contributed to the tractor ride fundraiser for the Emergency Frontline Workers. From the Lake Mills Fire Department.
- One In Christ – We would like to Thank All who rode in the tractor ride and the Churches for thinking of us. We really appreciate the money and will put it to put it toward much needed equipment for our department. Thank you! Joice Fire & Rescue.
- Dear Dennis & One In Christ Tractor Ride Committee, What a Blessed Surprise to receive the \$100 Lake Mills Bucks from the recent Tractor Ride. Thank you so much for this Great Gift & for Honoring all First Responders. May God Bless you all in return for blessing us all. Gratefully, Doug Domokos, Lake Mills Fire Dept. Chaplain
- Thanks again to all the Tractor Riders for giving such a generous amount of LM Bucks to First Responders. I know Dennis Bergo would have approved as well, even though the certificates are "green". Marty Pins

ELCA DISASTER RELIEF Hurricane Ida

The headlines are filled with the devastation from Hurricane Ida, which made landfall near New Orleans on Aug. 30 — exactly 16 years after Hurricane Katrina. As a strong Category 4 storm, Hurricane Ida's 150 mph winds, torrential rain and strong storm surge caused widespread flooding and wind damage in southeastern Louisiana and coastal Mississippi. Homes are flooded and residents are awaiting rescue, which is hampered by the high waters and debris-clogged roads. Strong winds knocked out power lines and electrical substations, leaving more than 1 million people without power, including the entirety of New Orleans. In some areas, electricity is not expected to be restored for weeks. Ida weakened into a tropical storm as it moved inland and will likely cause heavy flooding in Mississippi, Alabama, and the Tennessee and Upper Ohio valleys.

The impact of Ida is yet to be fully assessed, but with a hurricane of this scale, rebuilding will be costly and take years. With extensive experience in accompanying communities throughout the relief and long-term recovery phases, Lutheran Disaster Response is working with local ELCA synods and Lutheran social service organizations to coordinate a response to Hurricane Ida. Immediate needs will include food, basic necessities and temporary housing. Long after the headlines change, Lutheran Disaster Response will continue to accompany communities on the journey of rebuilding their homes and lives.

If you would like to donate to help those in the path of Hurricane Ida, there are several ways to give to Lutheran Disaster Response:

- 1) In the offering box – in the memo write ELCA Disaster Response – Hurricane Ida
- 2) Send a check or money order Lutheran Disaster Response, PO Box 1809, Merrifield, VA 22116-8009 – in the Memo write Hurricane Ida
- 3) On Line at <https://community.elca.org/hurricane-relief>
