Pastor Bill had a preliminary meeting with Coloff Digital, Forest City, discussing the above concerns. Coloff Digital noted that they would be able to meet most, if not all, the needs expressed. There would be a set-up fee followed by a monthly

maintenance fee. After discussion, the council M/S/C “to further investigate and work with Coloff Digital to develop a website for \$6000.” Following further discussion, the motion was Amended/S/C to read “further investigate and work with Coloff Digital to set-up a OIC website for \$6000.” The OIC marketing budget fund presently has \$1400 which could be dispersed for this. Pastor Bill has asked for a committee to work with him and Coloff Digital. Becky Martinson will be the parish council representative. The parish council will be reaching out to parish members to serve as well.
