Secretary's Report reviewed MSC

Treasurer's Report reviewed MSC. Council agreed to use savings for One in Christ payment that is due. After discussion, it was decided to transfer all of the saving into the checking account because of the upcoming closing of Farmer's State Bank in Joice. Julie will empty the contents of the lock box and bring it to the next council meeting.

One in Christ Report was reviewed. Pastor Bill explained that he was going to keep his health insurance coverage with his wife Anita upon her retirement so it would not be through the parish.
